## **Section B**

### **Introduction**

This manual is published in terms of Section 14 of the Promotion of Access to Information Act No 2 of 2000. The Act gives effect to the provisions of Section 32 of the Constitution. The Constitution of the Republic of South Africa, Act No. 108 of 1996 stipulates that everyone has the right of access to any information held by the State, and any information that is held by another person that is required for the exercise or protection of any rights and that national legislation must be enacted to give effect to this right.

The Promotion of Access to Information Act gives effect to this constitutional right and came into effect on 9 March 2001. The object of the Act is to foster a culture of transparency and accountability in public and private bodies and to actively promote a society in which the people of South Africa have effective access to information to enable them to more fully exercise and protect all of their rights.

### **South African Human Rights Commission**

Section 10 of PAIA provides that the South African Human Rights Commission must compile simple and easily comprehensible guidelines on how to use the Promotion of Access to Information Act. This guide is available for access and viewing in all languages at the South African Human Rights Commission offices Private Bag x2700, Houghton, 2041; Tel - 011 877 3600, Fax - 011 403 0625. Website: [www.sahrc.org.za](http://www.sahrc.org.za)

Due to the fact that some private bodies (private bodies other than public companies in terms of section 20 of the Companies Act) have been temporarily exempted from publishing section 51 manuals the South

African Human Rights Commission have not included the contact details of the private bodies in this first publication of the Guide. An electronic version of the Guide is kept on the website of the South African Human Rights Commission, [www.sahrc.org.za](http://www.sahrc.org.za) and is updated monthly to keep the public abreast of developments and changes regarding the contact details of information officers of public bodies and general information on PAIA.

## How to make a request for access to information

A request for access to a record is made by completing a request "Form C" for private bodies. ## Section F

### Prescribed request form – how to request a record in terms of Section 53

- Section 53 prescribes that the requester must use the prescribed form to make the request for access to a record. This must be made to the information officer, or the head of the private body. This request must be made to the address, fax number or electronic mail address of the body concerned.
- The requester must provide sufficient detail on the request form to enable the head of the private body to identify the record and the requester. The requester should also indicate which form of access is required. The requester should also indicate if he or she wishes to be informed in any other manner and state the necessary particulars to be so informed.
- The requester must identify the right that he or she is seeking to exercise or protect and provide an explanation of why the requested record is required for the exercise or protection of that right.
- If a request is made on behalf of a person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of the head of the private body.
- The head of the private body must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee (if any) before further processing the request. The fee for private bodies is R50. The requester may lodge an internal appeal or an application to the court against the tender or payment of the request fee.
- If the request is granted then a further access fee must be paid for the reproduction and the search and preparation, and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure. The head of the private body will then make a decision on the request and notify the requester in the required form.
